## **PROFESSIONAL SUMMARY**

Dedicated educator and linguistics professional with extensive experience teaching English, social sciences, and communication skills across various academic levels. Skilled in curriculum development, academic research, student mentoring, and creating engaging learning environments. Strong command of English language teaching methodologies, with a passion for helping students enhance language proficiency, critical thinking, and research capabilities.

## **WORK EXPERIENCE:**

### **2009 till date: Lahore School Of Economics**

Taught Social Sciences courses (like Academic writing, Communication skills, Business Communication, Islamic studies and Sociolinguistics) to graduate level students, helping the students improve their social interaction proficiency by developing a good command on the English language and mastering their research skills and enhancing their conceptual knowledge.

### **2007-2008: Lahore School of Economics**

Worked as teacher associate of different social sciences courses; assisting lecturers in holding workshops for students and preparing lectures, assignments & Quizzes through research.

### **2006-2007: Resource Academia**

Taught English language and social science to grade 1 and 3(7-10 yr olds) aiding them in learning basics of English language and enhancing their knowledge regarding the environment.

### **2004-2005: Kids Kampus**

Taught nursery level (3-4 yr olds) facilitating them in developing their listening, speaking and writing skills along with their cognitive skills.

### **2004**

#### **(Summers): MC Girls High School, Rehmanpura adopted by CARE.**

As a part of a research project, voluntarily taught English language to senior students of grade 7-10 (12-16 yr olds) helping them in improving their basic listening and speaking skills.
